

INVITATION TO BID

LANCASTER COUNTY SOLID WASTE MANAGEMENT AUTHORITY

FREY FARM LANDFILL 2025 GAS SYSTEM EXPANSION

Sealed Bids for the above-referenced Project will be received by the Lancaster County Solid Waste Management Authority ("Owner") until, and will be publicly opened on February 3, 2025 at 2:00 P.M. (local time) in the Owner's Office at 1299 Harrisburg Pike, Lancaster, PA 17603.

A mandatory Pre-Bid Meeting will be held at 11:00 AM on Thursday, January 16, 2024, at the Project Site, at the Reiber House, at 3049 River Road, Conestoga, PA. A site visit will be conducted immediately after the Pre-Bid Meeting. All questions must be submitted by January 24, 2024 at 1:00 PM.

The Project generally includes, but is not limited to, the following activities:

1. The drilling and installation of thirteen (13) vertical landfill gas extraction wells.
2. The procurement and installation of HDPE pipe for landfill gas laterals/headers.
3. Testing of all landfill gas laterals/headers.
4. Backfill excavated areas with aggregate, waste, and/or cover soil per project specifications.
5. Repair existing landfill cap damaged and/or removed during excavation activities.
6. Restoration and establishment of vegetation within disturbed areas.
7. Clean-up of all areas to the Owner's satisfaction.

Electronic copies of the Contract Documents are available from the Owner at no charge.

Each Bid must be accompanied by a certified check, bank cashier's check, or bid bond in the amount of 10% of the Bid total. No Bid may be withdrawn within sixty (60) days after Bid opening, and the Owner shall award a contract or reject all Bids on or before such sixty (60) day period. It is the Owner's intent to begin construction at the earliest possible date after award of a contract.

The Owner reserves the right, which is understood and agreed to by all Bidders, to reject any and all Bids and to waive any omissions, errors, mistakes, defects, or irregularities in any Bid at its sole discretion.

Please contact Mr. Robert C. Burke – Project Engineer at 717-874-4427 or rburke@lcswwa.org to schedule a site visit and/or if you have any questions related to this project.
